

SY24-25 Boston Prep Transportation Policy and Waiver

Boston Prep will be offering Local Motion yellow bus service for the 24-25 school year. The priority of yellow bus seats will be issued to sixth grade students and students whose IEPs or 504s plan indicate door-door or corner stops. All students who are residents of the city of Boston in grades 7-12 will be issued a MBTA T-pass.

Yellow School Bus:

To qualify your student must:

1. Be entering Grade 6
2. Student must live 1.5 miles from the school (885 River Street, Hyde Park, MA, 02136)
3. Student has to live in Boston

If you have not done so, please take some time to fill out this [brief survey](#).

Waiver for Yellow Bus Transportation: Request Forms is used if your child is a **7-12th grade student** who is assigned a T Pass (M7/MBTA card), and you'd like to request Boston Prep's yellow bus service instead. This applies only to the 24-25 school year.

PLEASE NOTE:

- These requests are **not** guaranteed approval and may be denied.
- These requests can only be made for Boston Prep students and will prioritize middle school students.
- Bus stop addresses **cannot** be requested -we use incoming grade 6 students addresses for routes.
- These requests will only be approved if there is an existing corner stop in the area of the home and there is an available seat on the bus.
- If approved, the existing bus stop can be up to 10-15 minutes walking distance.
- If approved, the yellow bus services must be used every school day. (Students may not opt in for certain days like Monday and Tuesday.)
- If approved, your request **will not** carry over to the following school year and needs to be resubmitted as needed.
